IMPORTANT NOTICE

Please leave your luggage at the hotel at Salta City and bring only a carry-on or small bag to the field trip.

WHAT TO BRING TO THE FIELD TRIP

For a better organization of the pre and post-symposium field trips, please consider the following recommendations:

Activities will take place in the Andean region, where high altitude and weather conditions require personal security elements.

We request you to bring the following items:

- light colored long sleeves shirt
- warm clothes
- Cap or hat
- Sunscreen
- UV protection or polarized sunglasses
- Comfortable hiking shoes

Do not forget to bring a magnifying glass.

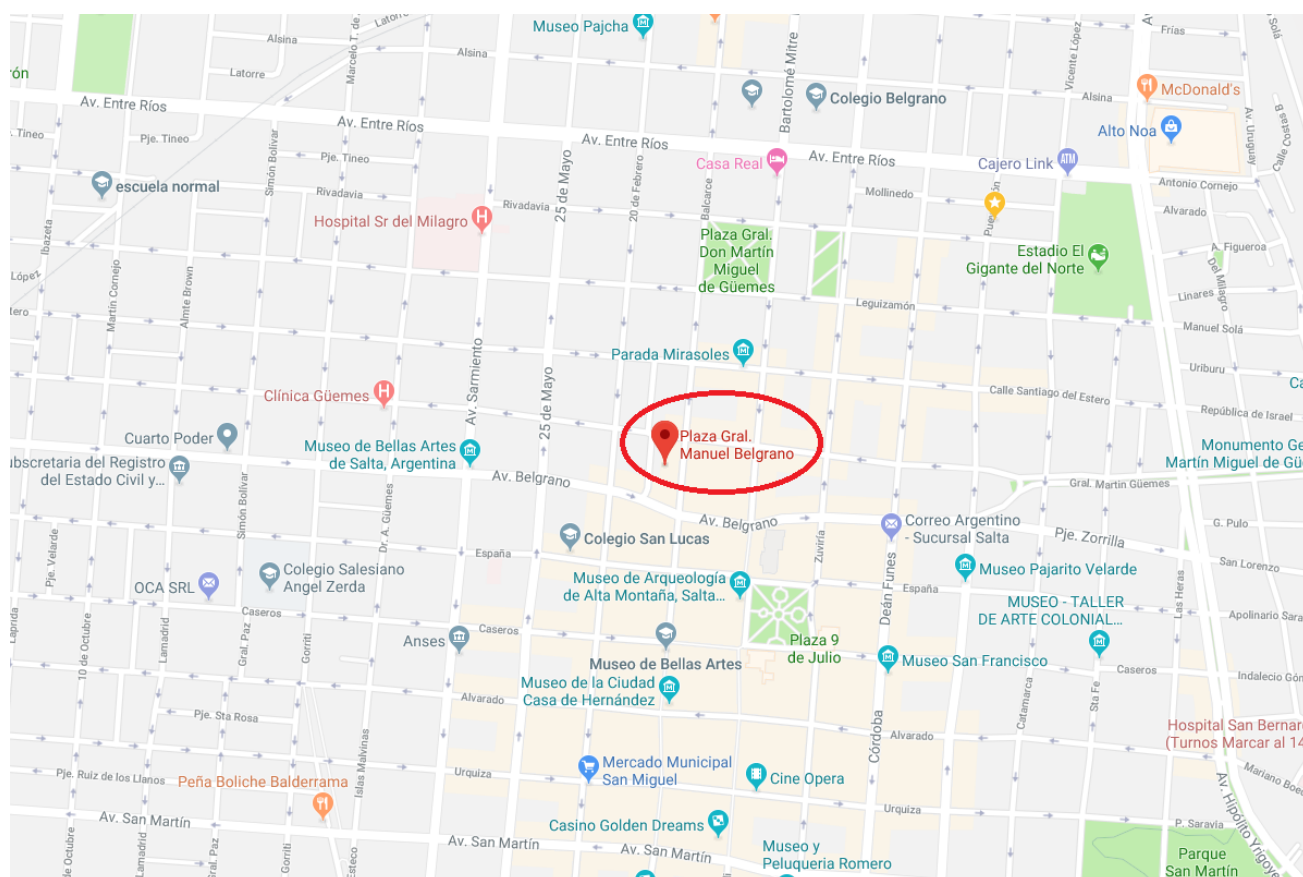

Field Safety policy: For well-being of all participants, and for maintaining the high quality standard of IAGOD field experiences, all participants, both leaders and attendees, are expected to follow the laws and customs of the country in which the trip is operating. During scheduled in-field activities, and transportation, no alcohol consumption is allowed, including during mid-day breaks.

Meeting point for the post-symposium trips

Belgrano Square, located at Belgrano Avenue 700 (between Belgrano Av, Güemes St, Balcarce St and Pasaje Castro)
